Dear Friends at the Clowning for Kidz Foundation:

*Thank you for your generous donation. We are grateful and very much appreciative of your donation totaling **Five hundred dollars (\$500.00)** in support of our Wish Program. Each wish is as special as the child we grant it to. Our most requested "WISH" is a trip to Disney World which includes the child's immediate family. Children giggle with excitement as they share their story of flying, many for the first time, and meeting Mickey Mouse.*

"A Wish Come True, Inc.[®]" is the oldest wish granting organization in Rhode Island and Southeastern Massachusetts. Since 1982 we have been providing happiness to children by granting their most desired wish. We are a local organization, not affiliated with any national foundation. All funds raised here, stay here to help children and families in our own community. You can be assured we are wise stewards of your generosity. Our 2 person professional staff are supported by a large group of hard working, dedicated volunteers which allow us to keep costs down.

*We believe in the extraordinary **magic of "A WISH"** and know when medicine and magic work together, miracles can happen! A child gets a once-in-a-lifetime chance to receive their wish, creating memories forever. We are averaging "A WISH A WEEK" thanks to generous people like you!*

We realize you have a choice of where to donate your hard earned dollars and greatly appreciate you choosing our organization. For further information, please call or visit our website www.awish.org. On behalf of our wish children and their families, we thank you for your continued support.

*As together we ensure their**"Dreams are only A WISH away"***

Best Wishes,

*Amy Simonini
Operations Manager*

***This donation was made with no services or good in return.*
